

GALAX

GALAX LOGO GUIDELINES

The GALAX logo establishes the company's presence and should appear on all communication materials from the company. Following these guidelines will guarantee that the logo is used correctly.

The position, size, color, proportions, and spatial relationships of the GALAX logo may not be altered. Always use the approved GALAX logo artwork.

Do not redraw or re-create the logo.

GALAX Logo

A white version may also be used when on a gradient or image background, provided there is enough contrast to maintain legibility. Otherwise use the single color logo.

Minimum sizing

The GALAX logo may scale up as large as desired but should never be used smaller than 0.12" height (3 mm or 15 px).

**GALAX**

LOGO PLACEMENT AND CLEAR SPACE

General Logo Clear Space Requirement

if the GALAX logo is being used outside of the GALAX design system, a minimum of clear space equal to the height of the "X" character.

When in use in the GALAX design system, outside of the band element, provide clear space equal to the "X" character.

Minimum clear space for GALAX Logo

Additionally, position the logo in a corner of the layout when possible.

Examples of placement in context to the band element
