FEEL THE BEST MECHANICAL SWITCH DESIGNED FOR GAMING

Mechanical Switches are perfectly tuned to the specific needs of gamers. Featuring optimized actuation points and a durability that surpasses the competition, these impressive switches enable you to execute your commands faster than before, for even longer.

When you press a key, the stem travels downwards, depressing the spring till the switch is activated and your action is actuated. Upon release, the spring bounces back to its original position, thus resetting the key.

Blue Mechanical Switch*

Actuation Point	2.2±0.6mm
Life Span (keystrokes)	Up to 50 Million
Actuation Force	55g±5g

*Based on manufacturer specifications
